TO DECREASE INSANITY

Superintendent of State Insane Asylum at Austin Recommends Marriage Restrictions.

San Antonio, Texas, Dec. 7.—Superintendent John Preston of the state insane asylum at Austin, in his report to the governor, has recommended that laws be enacted restraining marriage in cases where insanity or diseases leading to it are prevalent in the families of the contracting parties. He also is in favor of restricting the marriage of idiots, epileptics and confirmed criminals, and of the sterilization of degenerates.

Mr. Preston's report is very exhaustive. It cites cases in which members of three generations of the same family have been inmates of the asylum. In another instance he records the presence there of six cousins, insanity in their case being clearly shown to be due to hereditary transmission. To back up his contention the case of a woman is given who, although suffering from recurrent mania and a patient at the asylum for many years, has become the mother of ten children. One of the latter is now married to a man who for years has been a confirmed drunkard and whose father was an epileptic. The report also states that a very large number of Confederate veterans are now at the institution suffering from senile dementia.

THEY NEVER FAIL.

That is What They Say About Them In Palestine, and It is Therefore Reliable.

Another proof, more evidence, Palestine testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation: Mrs. W. B. Rose, 12 Fulton street, Palestine, Texas, says: "Since using Doan's Kidney Pills I

ROLLING AROUND WORLD

Two Italians Traveling Around the World in a Barrel Are Coming to America.

(Herald Special.)

London, Dec. 8.—One of the most unique pair of globe trotters that have yet come under public notice will soon be seen in America, having engaged passage on a ship sailing for New York next week. They are two Italians and they are traveling around the world in a barrel.

Their names are Vicinello Eugene and Zanadi Attilius, and for a wage of \$7,000 they are endeavoring to circle the globe in a barrel three yards long and about four feet in diameter. They take turns, one man rolling the barrel while the other sits inside. The conditions are that they must get their food and clothing by selling postcards in the towns through which they pass. The men say they began their journey at Vienna last June. The time to be occupied in the attempt is twelve years.

For That Dull Feeling After Eating.

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—David Freeman, Kempton, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills, but cost no more. Get a free sample at Bratton's drug store and see what a splendid medicine it is.

Foley's Orino Laxative is best for women and children. Its mild action and pleasant taste make it preferable to violent purgatives, such as pills, tablets, etc. Cures constipation. Bratton Drug Co.
